

HOW TO SHARE THE GOSPEL

Using the 3 Circles

The Gospel, *in three circles.*

God's Design. In the beginning, God created the heavens and the earth, and mankind in His own image. Sin had not entered the world, and God called his creation “good.” (Genesis 1:27, 1:31)

The Fall. Adam and Eve, the first humans, disobeyed God's command, and when they did, sin entered the world.

Brokenness. Because sin entered the world, we now live in a broken, fallen version of the perfect world God created — shown by the crack in the second circle. We see its effects through death, sickness, natural disasters, evil, pain, and suffering. People try to escape this brokenness through alcohol, drugs, relationships, false religions, work, sex, and other things, but these only take us further from God's design.

The Gospel. But God had a plan to rescue humanity. He sent his one and only Son, Jesus Christ, to live a perfect life and die on a cross for our sins. Three days later God raised him from the dead, proving he had conquered sin and the grave. He ascended into heaven and promised that one day he will return.

Repent & Believe. So what's the good news? The Bible promises that anyone who repents — turns from their sin and toward God — and believes Jesus Christ is Lord will be saved and have eternal life with him. All you need to do is make Jesus the King and Lord of your life.

Recover & Pursue. Once you make Jesus the King of your life, the next step is to pursue him for the rest of your days. It's because of Jesus that we can return to God's design for us, despite the presence of sin in the world we live in today.
