"Unless the LORD builds the house, the builders labor in vain."

— PSALM 127:1

"A Kingdom leader doesn't just survive on these pillars — they thrive, and pull others up with them."

Boaz Strategic helps Kingdom leaders build their business with strength that endures.

Is your foundation *strong enough*?

“ *A Kingdom leader doesn't just survive on these pillars — they thrive, and pull others up with them.*

At Boaz Strategic, six pillars from Scripture shape every conversation, decision, and season we walk through with our clients.

Wisdom, Vision, Connection shape how you lead.

Solomon asked God for wisdom above wealth or fame, and everything else followed.

Vision pulls a leader forward when motivation fails. Connection means asking God for people who sharpen your purpose, speak truth into your blind spots, and open doors that no amount of hustle could unlock on its own.

Strategy, Endurance, Courage determine your path.

David inquired of the Lord and received a plan.

Endurance keeps a leader faithful in the wait.

Courage isn't the absence of fear — it's acting within it. Abraham went even though he did not know where he was going. The blessing often lives on the other side of the thing that frightens you most.

At Boaz Strategic, we help Kingdom leaders build their business with strength that endures.
